Hay Dairies is Singapore's only goat farm, established in 1988. Located in the Kranji countryside, the farm is home to over 800 goats, primarily of the Alpine breed, known for their high-quality milk production. Visitors can experience farm life firsthand by observing the milking process, learning about goat farming, and even feeding the goats.

Save the earth together with the farmers!

On your next return trip back to the farm, remember to bring back the cooler box as you will get 1 x 200ml goat milk free of charge (original or chocolate) when you purchase a minimum of 2.4 liters (2,400ml) goat milk.
